## ABOUT US

At The Barrett School at Destin, we weave the bold connection between nature and the digital frontier into the fabric of our educational philosophy. Our mission is to cultivate a diverse community of learners, from Pre K through 12th grade, by harnessing the power of hands-on STEM education, integrated with play theory and the boundless classroom of the outdoors. Embracing both atypical and neurotypical students, we commit to nurturing curious, innovative and empathetic minds prepared to thrive in both the natural world and the technological landscape. Through cutting-edge robotics, immersive VR experiences, comprehensive science labs, and coding, alongside profound outdoor adventures and therapies, we aim to inspire students to discover their passions, embrace creativity, and lead with a deep sense of environmental stewardship and technological savvy.

# BENEFITS FOR SPONSOR

All funds from this event will directly benefit our teacher training and education program as well as intertional education opportunities for our upper school students.

## Complimentary Tickets

Each Sponsorship Level comes with a designated number of Event Tickets.. Attending the event will give you the chance to connect with key stakeholders, network with other sponsors, and gain valuable insights into the impact of your contributions. Not to mention, a great time, great company and amazing food!

## Marketing Opportunities

Your generous support will be prominently featured, showcasing your commitment to making a positive impact. Your company logo or family name will be highlighted across various marketing materials, including event signage, social media shout-outs, ensuring visibility to a wide audience. This exposure not only demonstrates your passion and dedication to our community, but your desire to help our teachers and students flourish and grow.
